

Gaslighting  
Chi Laughlin

**PAGE 1 (NINE PANELS)**

**Title: Gaslighting**

**Page 1, Panel 1.**

A wide shot of Chi and Liz strolling leisurely along a path in Prospect Park, both of them eating ice cream out of cups. It's a pleasant spring day and the park is full of people, playing, picnicking, walking dogs, etc.

CHI 1:

I watched Gaslight again last night. Remember when we saw that at Film Forum?

**Page 1, Panel 2.**

Medium Close on Liz, pausing with the spoon up to her mouth.

LIZ 2:

I never saw Gaslight at Film Forum.

**Page 1, Panel 3.**

Medium two shot, favoring Chi. Liz speaks out of the side of her mouth while eating ice cream.

CHI 3:

Sure you did. You practically begged me to go.

LIZ 4:

You're thinking of someone else.

**Page 1, Panel 4.**

Close on Chi, driving home his case by pointing at Liz with his spoon while he speaks.

CHI 5:

I am definitely NOT thinking of someone else. You were happy about a job interview you had that day. Remember?

**Page 1, Panel 5.**

Wide on the two of them, stopping to watch some kids playing soccer in the foreground.

LIZ 6:

I don't think I've even seen Gaslight.

**Page 1, Panel 6.**

Medium wide on Chi and Liz, as they throw their ice cream cups into a trash bin. The sun is going down and the shadows stretch out across the grassy lawn.

**Page 1, Panel 7.**

Medium close on Chi and Liz. Chi is furrowing his brow, confused.

CHI 7:

Are you sure?

**Page 1, Panel 8.**

Medium close on Chi and Liz. Identical to Panel 7, but Liz has her lips pursed, thinking about it.

**Page 1, Panel 9.**

Wide shot of Chi and Liz, from behind, in silhouette as they walk towards the setting sun. The park is emptying out, but there are still groups of people seated in the grass or walking on the path.

LIZ 8:

No.

CAPTION 9:

End.
